

Captain America: The First Avenger Movie

Soundtrack

CD Cover Without Lettering

Adobe Photoshop

Background: I used a texture image to connect all individual parts of the project.

Captain America/Shield: I used Adobe Photoshop for enhancing his features to create a strong sense of contrast. I used several different blending modes to create the discreet characters on his shield.

Captain America: The First Avenger Movie

Soundtrack

Final CD Cover

Typography: The lettering was done in **Adobe InDesign**.
